The mission of the University of Tennessee-Knoxville is to promote a healthy, educated, and civil society; to encourage life-long learning; and to enhance the quality of life within the diverse, global community by preparing professionals to educate and lead for the changing landscape of 21st-century schools and classrooms. The UTK, as a professional school, promotes critical inquiry, reflection, and social action. The UTK values are reflected in our mission and our educator preparation goals. These goals are as follows: Promote excellence in teaching and mastery of professional competencies; Assure ethics, integrity, and professional attitudes and dispositions; Cultivate collaboration among multiple stakeholders to ensure well-rounded educational preparation from various viewpoints; Advance cultural relevance and responsiveness; Uphold effective use of educational technology. Our vision is to help create a world that values knowledge, education, and health as key contributors to improved quality of life for all.

No Overall Performance Ratings This Year
In previous years, EPPs received an overall rating based on their performance in the Report Card's scored domains. Due to the lack of teacher evaluation data from the 2019-20 school year and the continued impact of the COVID-19 pandemic on public schools during the 2020-21 school year, EPPs are not receiving an overall rating this year.

Employment
The Employment domain evaluates a provider's performance in preparing educators to begin and remain teaching in Tennessee public schools.

Provider Impact

The Provider Impact domain reports on the effectiveness of a provider's cohort members in Tennessee public school classrooms.

Provider Impact is unscored this year.

Due to the COVID-19 public health emergency and related school closures, no teacher evaluation data is available from the 2019-20 school year. The evaluation data shown below is from the 2018-19, 2020-21, and 2021-22 school years. This data is provided for informational purposes, but EPPs will not receive a rating or score based on it.

Under state law, teachers had the opportunity to nullify their evaluation score for the 2020-21 school year due to COVID-related challenges. The scores of teachers who chose to nullify are not included in the Report Card.
